

```
graph BT; main_c[main.c] --> materias_c[materias.c];
```

A diagram illustrating a function call between two C source files. At the bottom is a white rectangular box with a black border containing the text "main.c". A vertical blue arrow points upwards from the top center of this box to the bottom center of a gray rectangular box with a black border at the top, which contains the text "materias.c".

materias.c
